

LOTUS ARMCHAIR

W.70* x D.85* x H.80 cm

Designed by **Arketipo Design**

Lotus Lounge and chairs are a range of very contemporary seating's designed to accommodate and wrap the body with its shell-shaped structure veneered aluminum, very aesthetic and modern. This veneered aluminum shell contains a wonderfully supple, textured and comfortable leather seat. This is the perfect balance between futuristic design and quality of materials and know-how of exception.
